Scadden discussed getting the service budget plans done and emailed to her.

The Priority/needs started off with Scadden clarifying to stay as individual services and not combining to a county wide service.

The priorities/needs were established as staffing and training. Staffing needs would be either paid staff or stipend for volunteers. The training would be for EMS only.

Scadden wanted to clarify the money doesn't replace the budgets for cities. It only adds to the budget for the services.

Johnson discussed what Wright County and Washington County is working on. Johnson received materials from Jim Lester, an influential person in the process for those counties. Johnson will reach out to Lester to speak with the group at the next meeting

Scadden Mentioned the media is following the process as it progresses in the county.

Van Egmond mentioned Kathrine Ollendieck from Tama County Economic Development would be happy to help with outreach.

Next meeting will be August 1, 2024

Adjourned at 7:30 pm Motion by Johnon, seconded by Hicklin. Motion carried.
